

Eat2Save

DIGITAL GIFT CARDS

The **ONLY**

“No out-of-pocket”

cash back

program in

Canada!

This is how it works!

Step 1:

You + your friends and family sign up to receive a \$250 monthly digital gift card. All major grocery retailers participate in the program -Loblaws, Sobeys, Metro/Food Basics and Save On Foods

Earn **cash back** to offset your child's registration/competition fees at Dance Studios, Gymnastics Clubs, and Cheer Gyms across Canada.

Step 2:

Start generating cash back. The more friends and family you have in your ordering group, the more cash back you earn.

Number in Your Group (no limit to group size)

You alone

You + 2 of your friends & family

You + 4 of your friends & family

You + 6 of your friends & family

Cash-Back to You*

\$90

\$270

\$450

\$630

* Based on a 12 month purchase of a monthly \$250 digital gift card. Your Cash Back is paid to you as a credit on your monthly digital gift card order.

Here are some details about Eat2Save you need to know!

- You pay nothing extra to generate your cash back. You order a \$250 digital gift card and receive \$250 in groceries at the grocery store you already shop at.
- Pay for your gift card with your credit card, and still receive your credit card rewards. Also, you still collect in-store rewards like PC Optimum, Scene + and Moi rewards.
- You can hold or cancel your order any time. You are not locked into any minimum monthly order period.
