Eat 2 Save

DIGITAL GIFT CARDS

The **ONLY**
"No out-of-pocket"
cash back
program in
Canada!

Earn **cash back** to **offset your child's registration/ competition fees** at **Dance Studios, Gymnastics Clubs, and Cheer Gyms** across Canada.

This is how it works!

Step 1:

You + your friends and family sign up to receive a $250 monthly digital gift card. All major grocery retailers participate in the program -Loblaws, Sobeys, Metro/Food Basics and Save On Foods

Step 2:

Start generating cash back. The more friends and family you have in your ordering group, the more cash back you earn.

Number in Your Group (no limit to group size)	Cash-Back to You*
You alone	$90
You + 2 of your friends & family	$270
You + 4 of your friends & family	$450
You + 6 of your friends & family	$630

* Based on a 12 month purchase of a monthly $250 digital gift card. Your Cash Back is paid to you as a credit on your monthly digital gift card order.

Here are some details about Eat2Save you need to know!

- **You pay nothing extra** to generate your cash back. You order a $250 digital gift card and receive $250 in groceries at the grocery store you already shop at.
- Pay for your gift card with your credit card, and **still receive your credit card rewards.** Also, you **still collect in-store rewards like PC Optimum, Scene + and Moi rewards.**
- You can hold or cancel your order any time. You are **not locked into any minimum** monthly order period.
